Dear Members,

Upon arriving at my office this Monday I couldn't help but notice the drastic contrast between the attendance today versus the attendance this past weekend. In particular, of course, versus the fourth. The marina was so busy that for the first time in my tenure we actually had maintenance directing traffic to open spots. What a fun and exciting venue here the entire day. The joy on people's faces is really what we work for, and we were blessed with many smiles. For our staff the fourth is the busiest and craziest day of the year, however we all thoroughly enjoy the ability to work with the membership and their family and friends.

This year we were also really pleased that our crowd was well behaved. We only had one police incident without an arrest, and one boat that broke down at the fuel dock. Our biggest problem with the broken boat was because we are totally sold out so we did not have a boat well for their boat. Thank you; that's a problem we will take all day.

Lastly, as the evening of the fourth approached darkness my concern radar began to amplify as reports of inclement weather surfaced. I went to my office to view every local weather report I could find. Of course they varied, which did not drive my level of consternation lower for sure. Around 9:45 I initiated a call with our colleague at Safe Harbor/Belle Maer to find out where their heads were regarding the weather and soon to be fireworks display. We decided it was something we both wanted to see happen on the fourth so we just let the weather gods take control. The reschedule date was set for July 5th. As you know the skies cleared and the show went off without a hitch. From all the kind remarks we have received they were well received, which is a testament to the professionalism of our fireworks vendor, Great Lakes Fireworks.

Once again, thank you all for being members at Macray. Enjoy your summer and be safe on your journeys.

MARINA REMINDERS

Just a reminder, the speed limit throughout the marina is 15 mph. This applies to golf carts, scooters, and all motorized vehicles.

Children ages 12–15 must turn in an ORV Certificate and must be accompanied by an adult to drive a golf cart. Children under 12 are not permitted to drive a golf cart on the property.

Thank you for your cooperation and helping us keep our marina safe!

Please remember that marina quiet hours are from 10 PM to 8 AM. Be respectful of those around you when playing music, and choose family-friendly tunes!

Please ensure you secure all umbrellas, golf cart covers, patio furniture, and grill covers when you leave the marina. With the recent windy weather, many covers and furniture have been blowing around, causing damage or getting lost, and potentially damaging others' property.
