Important Note from Management

As we move through another busy summer weekend, we want to remind all members that outside food, snacks, beverages, water bottles, coolers, tumblers, and similar items are not permitted on the pool deck. This policy is not unique to MacRay Harbor—it is a requirement of the Michigan Liquor Control Commission and is not subject to staff discretion.

If you arrive with a water bottle, you have three options:

Return it to your vehicle or boat

Leave it with the pool attendant at the gate to retrieve when you leave.

Please note that water bottles may not be stored inside bags brought onto the pool deck.

For members who require additional water due to health concerns, age, medications, or simply personal preference, our staff will gladly provide as much complimentary ice water as needed throughout your visit. If you prefer your water colder, we are also happy to provide extra ice.

If your child requires specific snacks, they may certainly enjoy them on your boat or in the parking lot before returning to the pool deck.

Our pool attendants are also required by management to inspect personal belongings, beach bags, coolers, and similar items upon entry. This is standard practice in many public venues today. Whether you're attending a concert, sporting event, amusement park, or other public gathering, bag checks have become a normal part of helping keep guests safe.

Note from Management Continued

Unfortunately, we live in a time where safety cannot be taken for granted. We have an obligation to every member, guest, and employee to help ensure that everyone entering and exiting our pool and facilities is safe, that prohibited items are not brought onto the deck, that guests are not overserved, and that we are doing everything reasonably possible to provide a secure environment. We appreciate your cooperation with these procedures.

We also want to be very clear about expectations for member conduct. Our team is simply enforcing the rules they have been instructed to follow. They are not creating these policies, nor do they have the authority to make exceptions.

Harassment, intimidation, or disrespect toward our staff will not be tolerated. Failure to comply with pool policies may result in disruption of your access to amenities. Members who harass employees can expect a call from management and may face further action, including suspension of privileges or eviction from the property.

We are fortunate to have a waitlist of individuals and families who would like the opportunity to become members. We ask our current members to help us foster the respectful, welcoming environment that makes MacRay Harbor special.

Our employees deserve to be treated with courtesy, respect, and dignity while carrying out the responsibilities entrusted to them. We appreciate the overwhelming majority of our members who support our staff and help us maintain a safe and enjoyable experience for everyone.

Thank you for your understanding and cooperation.

4th of July Parade

JULY 4 | 7:30 PM

Join us Saturday for one of MacRay Harbor's favorite Independence Day traditions! Our Annual 4th of July Vehicle Parade returns with MacRay vehicles, decorated golf carts, and—new this year—pre-registered member-decorated golf carts and antique vehicles joining the procession.

The festivities will kick off with a special performance by a bagpiper before the parade travels down Sea Ray Boulevard and throughout Faircloth Drive, Evergreen, and Mr. Mac Streets.

Candy will be tossed from participating vehicles along the route. We invite everyone to line the streets and cheer on the parade.

Please help us keep the roadways clear, supervise children closely, and remain out of the street so all participants and spectators can enjoy a safe and memorable celebration.

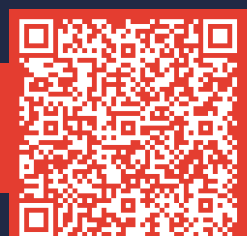

Decorate & Join the Parade!

Want to be part of this year's Annual 4th of July Vehicle Parade? We invite members to decorate their golf cart or antique vehicle and join the fun!

Simply scan the QR code to complete your registration before the parade. All participants must be pre-registered.

Bring your patriotic spirit, get creative with your decorations, and compete for Best Decorated Golf Cart, with a prize awarded to this year's winner!

Harbor Improvement Updates

EVERGREEN DRIVE REPAIRS

We're pleased to share that Evergreen Drive is being repaved today!

While the original plan was to complete this project next summer, our paving contractor had additional work in the area and we were able to take advantage of the opportunity to move the project up by negotiating a favorable arrangement. Rather than waiting another year, we decided to invest in the improvement now for the benefit of our members.

We anticipate the project will be completed and ready for use by the weekend, weather permitting.

Thank you for your patience while the work is underway. We know temporary inconveniences can be frustrating, but we're excited to continue making improvements that enhance the MacRay Harbor experience.

POOL & SPA REPAIRS

We're happy to report that the spa is back up and running and ready for members to enjoy.

The pool heater, however, is still awaiting repair. While we understand this is disappointing, please know we are doing everything we can to provide seamless service and keep all of our amenities operating at their best. Unfortunately, when mechanical equipment fails, repairs are often dependent on replacement part availability, which is outside of our control. As soon as the necessary parts arrive, our service team will complete the repair as quickly as possible.

We appreciate your patience and understanding as we continue working to maintain the quality experience you expect at MacRay Harbor.

A Note from our Restaurant General Manager

We're excited to welcome everyone for one of our favorite weekends of the summer! With the holiday bringing increased traffic throughout the harbor, our restaurants will be busier than usual.

If you experience longer wait times for seating, food, or beverages, we sincerely appreciate your patience and understanding. Our culinary and service teams are working hard to provide every guest with a great dining experience, and we thank you for your support as we serve a full holiday crowd.

Holiday Weekend Dining Note: Pizza will be available Saturday only at Lago Cucina. Pizza will not be available at N42 during the holiday weekend.
