UPCOMING EVENTS

*Live Music and great vibes are
in the forecast this weekend!*

Life is better on the water

There are a lot of new updates at the harbor this year and we would like to take this time to thank you for being a member and being a part of the Macray family.

We are still in the middle of some renovations, but below are a few of the exciting things to look forward to and check out in the next few weeks.

Also – don't forget to swing into Member Services to pick up your 4th of July passes!!

Dear Members,

I am most hopeful you enjoyed your holiday weekend. The weather kindly improved with each passing day, which had the marina hopping. What a joy to see after our long and arduous winter season.

If you did not have an opportunity to visit us at the new N42 Bar & Grille on the pool deck, we would love to welcome you this weekend. In spite of construction finishing on Thursday late afternoon, we chose to be courageous and open Thursday evening for our member's pleasure. It truly was fun to watch, as the vibe there is very upbeat, along with the fun music. Did we have a few snafus? Of course. However, for a staff that never worked together and is basically new, it was a win for all. Thank you to all who came for the opening weekend.

On a sad note, as you now know I made the choice to close The Helm. We did not believe we could provide you with the quality of food and service I would be comfortable with due to three very serious health issues. We have three chefs that supervise The Helm, N42 Bar & Grille, and The Banquet and Event Center (B.E.C.). All three suddenly were dealing with health issues in which two required hospitalization visits. Each concern, although totally unrelated, had to be dealt with a sense of urgency. I apologize for closing, however to provide you with sub-standard quality is not something I wish to do. The end result is we will be one chef short until we hire one. We believe we have a good chance of filling that position quickly. I expect to open The Helm within a week or so. I do apologize; in normal times we would have the appropriate kitchen staff. However, there remains a very significant shortage of chefs, line cooks, Sous chefs, etc.

Thank you for your patience. We want to serve you.

*Kristen Schoenbeck
General Manager, Banquet & Event Center*
