Here's a quick note from our new Chef, Chef Dom!

"If you did not know Danny Rubino, long time BEC employee, is my Dad. One of my first jobs was here at MacRay at 16 years old under Chef Jeff Baldwin. I started here just putting away deliveries and washing dishes. Eventually I moved my way up and learned the ropes. I did just about every job in the kitchen at MacRay from banquets to the old upstairs restaurant. I left MacRay in 2004 and helped Chef Jeff with his solo restaurant for a bit. I then took a job for a corporate steakhouse named The Palm. I was the sous chef there for a few years. After working for The Palm I took another job at a corporate restaurant. Kona Grill. I worked at Kona for 11 years in positions ranging from saucier to Executive Chef, at the location in Troy, MI and Stamford, Ct. I lived in Connecticut for a few years before moving back to Michigan in 2018 at which point I took a job with at Test Barra with Jeff Baldwin again. I was Sous Chef at Testa Barra for 3 years. I did some independent catering for a year and now I am here."

MARINA UPDATES

During the offseason, our management team met with several network specialists in order to conduct a full-scale analysis on our WIFI network throughout the marina. After several months of exploration and troubleshooting, we were able to devise a plan to overhaul our entire network. This new system will provide our members throughout the marina with a faster and stronger connection. As we implemented the new network, we experienced a couple hiccups which delayed the initial switch to the new system. During the holiday season, we will still have our old network operational until we can make a seamless transition to our new network. Please watch for more updates in the coming weeks as the login credentials will change. We are very excited to have this new network available to all of our members shortly.

4th of July passes are available to pick up until July 3rd. Each slip is allowed 2 parking passes. You must pick them up in the office, we will NOT mail them out. Your normal yellow parking pass **WILL NOT GIVE YOU ACCESS TO THE MARINA ON THE 4TH OF JULY!!**
