# Harbor Updates

Another busy weekend is ahead at MacRay Harbor. Here's everything you need to know before heading down to the harbor.

## SPA UPDATE

- The spa is now OPEN following maintenance.
- Please help us protect our pool and spa systems by ensuring children rinse off after visiting the beach before entering the pool area. Sand can damage our filtration system and may result in interruptions to pool access.

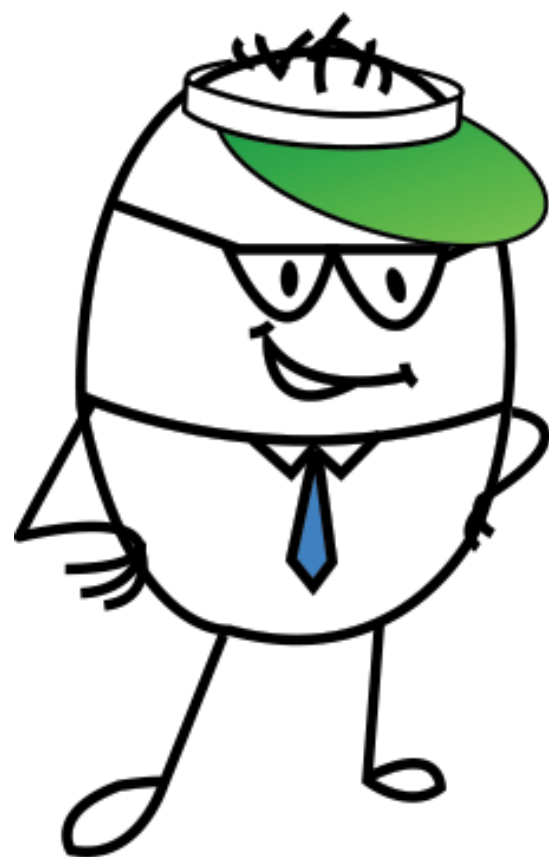

## FAIRCLOTH RESURFACING

- We are resurfacing Faircloth Drive from Sea Ray Boulevard to the Administration Building/Harbor Store.
- All harbor entities remain OPEN.
- Until construction is complete, please avoid using Faircloth Drive and instead access the pool, Harbor Café, N42, Member Services, and Gas Dock via Sea Ray Boulevard to Evergreen Drive.
- Contractors anticipate completion on Friday, June 5.

## NEW ENTRANCE SIGN

- The footing for our new electronic message sign has officially passed inspection.
- Installation of the sign will take place following the required concrete curing period. We look forward to adding another improvement to the front entrance and keeping members better informed about harbor events and updates.
