Harbor Improvements Update

We've made several updates around the property to keep MacRay Harbor looking its best:

NEW LANDSCAPING

Fresh plantings and cleaned-up garden beds throughout the grounds.

WEED TREATMENTS

Canals and key waterways treated for the second time to control weeds

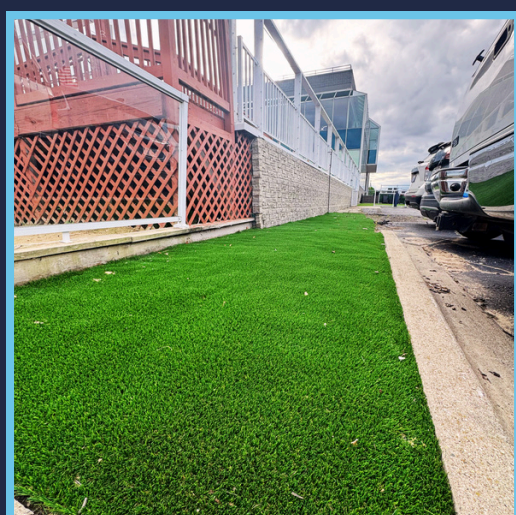

NEW ASPHALT

Paved areas around the basketball court, maintenance building, and Bathhouse 2.

TURF INSTALLATION

Turf installed around the various points in the Harbor for a cleaner, modern surface.

Keep your eyes out for more improvements to come — thank you for helping us keep MacRay Harbor beautiful

Important Reminder: No Outside Food or Beverages on Pool Deck

As a reminder to all, outside food and beverages are strictly prohibited on the pool deck, in accordance with state guidelines set by the Liquor Control Commission.

Outside food and drinks are not allowed on the pool deck at any time.

This rule is mandated by the Liquor Control Commission as part of our facility's licensing requirements.

Violations could jeopardize our food and beverage license, putting our poolside restaurant and bar service at risk.

Our team is instructed to enforce this policy. We ask that all Members and their guests treat staff with patience and respect. Many are high school or college students enforcing the rules in place by Management.

Let's work together to protect this amenity and ensure a great experience for all.

We appreciate your understanding and cooperation.
