Welcome Back

After an offseason full of improvements, preparation, and rebuilding, we're excited to officially welcome everyone back for the start of the 2026 season.

Memorial Weekend marks more than just the beginning of summer around the harbor. It's the return of long weekends on the water, live music drifting across the docks, dinners with friends, pool days with family, and everything that makes MacRay Harbor feel like home.

Banquet & Event Center Ballrooms

Most importantly, this weekend we pause to remember and honor those who made the ultimate sacrifice for our country. We thank all who served and the families who carry those legacies forward.

We're proud to kick off another summer with all of you. See you around the harbor.

Banquet Center Update & Building Access

As many of you know, earlier this year MacRay Harbor experienced an electrical fire within a service area of our Banquet & Event Center.

Thanks to the rapid response of local fire departments, our suppression systems, and the incredible efforts of restoration crews, damage was contained and no injuries occurred.

Since then, our teams have been working daily alongside inspectors, contractors, and restoration professionals to safely prepare the facility for the 2026 season.

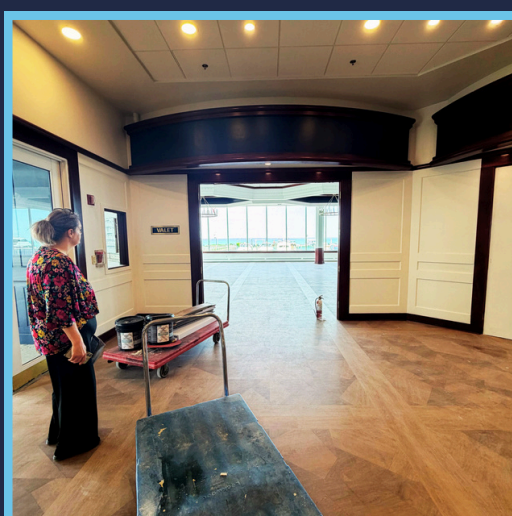

We're pleased to share:

All required operational and safety inspections for currently open areas have been successfully passed

Lago Cucina and approved guest areas are fully operational

Restoration work within the ballroom and event spaces is actively continuing

While significant progress has been made, portions of the building remain active construction zones as renovations continue.

Banquet Center Update & Building Access Cont.

To ensure the safety of our members, guests, staff, and contractors:

Guests should not enter the Banquet & Event Center unless they have a reservation at Lago Cucina

Bathroom access remains open and accessible

We ask that members and guests do not enter or utilize the rear hallway adjacent to the restoration areas

Any restricted or marked construction zones are strictly off-limits

We sincerely appreciate everyone's patience and support throughout this process. The progress made over the last several months has been incredible, and we're excited for what's ahead as we continue rebuilding and improving the property for the future.

Thank you for helping us keep the harbor safe, respectful, and operational during this ongoing restoration process.

Pool & Spa Operations Update

As we head into the 2026 season, we want to ensure the pool and spa remain an enjoyable experience for our members, their families, and guests all summer long.

Over the last several seasons, many members have requested stricter enforcement of pool policies and member verification procedures. This season, our staff has been instructed to enforce all pool rules consistently and without exception. We appreciate everyone's cooperation and support as we implement these standards.

MEMBER CARD POLICY

Member cards will be checked diligently throughout the season.

All members and guests utilizing the pool area are expected to have their membership credentials available at all times.

Failure to provide a valid member card when requested may result in interruption or suspension of pool access until verification can be completed.

Members are responsible for ensuring their guests comply with all posted pool policies.

OUTSIDE FOOD & BEVERAGE POLICY

Outside food, beverages, coolers, and alcohol are strictly prohibited on the pool deck.

This policy exists in accordance with licensing and operational requirements and will be actively enforced by Management and staff throughout the season.

We respectfully ask members and guests to support our team by not attempting to bring prohibited items onto the pool deck – including concealing or “sneaking” them into the facility.

Our staff should never be placed in uncomfortable enforcement situations for simply doing their jobs and upholding harbor policies.

Pool & Spa Operations Continued

GUEST REGISTRATION

To help us maintain accurate occupancy and member verification throughout the season, all guests utilizing the pool facilities must be properly registered.

Guests may be registered through Member Services prior to entering the pool area.

Members are responsible for ensuring their guests are checked in appropriately and comply with all harbor and pool policies during their visit.

PROPER ATTIRE REQUIRED

Members and guests are not permitted to enter the Banquet & Event Center, restaurants, bathhouse corridors, or interior harbor facilities barefoot or without appropriate coverups.

Proper footwear and coverups are required at all times when entering indoor spaces from the pool or marina areas.

This policy exists for the comfort of all guests as well as cleanliness and safety throughout the property.

POOL REMINDERS

- No glass containers permitted
- No children under 18 permitted in the hot tub
- Member or bathhouse card required for entry
- Guests must remain accompanied by a member
- Children under 16 must be supervised at all times
- Pool hours: 9AM–10PM daily

We appreciate everyone helping us maintain a respectful, family-friendly environment across all harbor facilities.

HARBOR CAFÉ NOW OPEN

Located inside the Harbor Store, our new Harbor Store Café will feature specialty coffee drinks, pastries, grab-and-go breakfast items, snacks, and hand-dipped ice cream throughout the season.

As part of this transition, complimentary coffee service previously offered in the Harbor Store has been discontinued as we move toward a more elevated café experience with expanded offerings and dedicated café service.

Designed to be both convenient and welcoming, the Harbor Store Café is another step in continuing to elevate the everyday harbor experience for our members and guests.

A Note from our Restaurant General Manager

As I begin my second season at MacRay Harbor, I can honestly say how excited we are to welcome everyone back to Lago Cucina and N42 for another summer on the waterfront.

We have truly missed seeing all of you and cannot wait to officially open the doors once again for the season ahead. Over the past several weeks, our team has been working tirelessly preparing every detail for opening weekend.

From refreshing our spaces and refining menus to elevating service and guest experience standards, an incredible amount of hard work, dedication, and passion has gone into getting everything ready.

Watching every department come together throughout this process has been incredibly rewarding, and I feel very grateful to be part of such an amazing team here at MacRay Harbor.

We're looking forward to another unforgettable summer filled with great food, waterfront sunsets, live music, celebrations, familiar faces, new friendships, and lasting memories shared with our members, guests, friends, and families.

Thank you for your continued support — we can't wait to welcome you back to the harbor.
